has been checked and found to be conforming to relevant codes of practice as per the latest Indian standards. All the stipulated combination of load (static and dynamic) in horizontal & vertical lateral direction have been incorporated in the finite element analysis of structure. The design and drawing have checked and found to be satisfactory for Seismic zone IV. Hence they are approved.

The responsibility of the Jamia Millia Islamia shall be limited to proof checking of the structural design calculations and drawings only. All procedural/legal/operational matters and architectural/functional details will be the responsibility of the owner/owners.
