The PTA Meetings will be held at least once in every academic year.

The PTA is a consultative body and not a decision making body. The main role is to see that the syllabus is completed as planned and will suggest methods to help pupils who are weak in studies. The committee will assist the school in other such issues including ensuring that parents follow the proper code of conduct during visits

Parents who wish to be selected to this forum are requested to send in their applications to the Principal office. The Principal, in consultation with the respective Headmistress / Coordinator nominates parents then appoints parents to the PTA Executive Committee.

The main objective of PTA is to provide the platform for parents, guardians, and teachers of SRSGN to meet, exchange, deeply analyze issues, make recommendations in areas which are related to the academic development of the students.

Parent Teachers Association (PTA) is a non-profit, non-political organization made up of school staff and parents which work to support the school in a wide variety of ways.
